          Here in A.S College a variety of cultural events activities and
          functions are organised to educate the students about our culture as
          well as for developing new talents and hobbies among students.

          From music, dance, theatre to literature and fine arts, A.S College
          encourages its students to actively engage in countless cultural
          events whether taking place on or off-campus. To purposely engage the
          students in meaningful activities, Chandigarh University boasts
          various cultural clubs and committees. These clubs and committees
          regularly arrange national level and inter-university competitions for
          the students that let them nurture their instinctive talents and serve
          as a platform to them.

          The College hosted and organised Intre-zonal Youth Festival in the
          session 2021-2022 in which students of various colleges of punjab
          participated in various cutural activities, competitions and
          performances. Our students grabbed various positions in competitions
          like play, skitt, folk song, bhangra, gidha etc.

          Cultural activities are much more beneficial than they seem. These
          activities play a vital role in shaping the passion and interest of
          the students, apart from the academics. Time management,
          self-exploration, personal growth, improved self-esteem; We believes
          that indulging in such activities teaches the real-time aspects of
          life.
