                  The foundation for my dream journey was laid down during my 3
                  years of graduation at A.S. College Khanna. Amidst the support
                  of highly intellectual and experienced faculties, I witnessed
                  my skill and competence rising to a zenith. Those 3 years at
                  A.S. College encouraged me to think beyond the limits and to
                  work for my dreams in order to make them a reality. To all the
